

# SMD Software Certification Request Form

Please use this form to request a copy of the ISO New England SMD Software Certifications. Only enrolled Market Participants in the New England wholesale electricity markets are entitled to receive a copy of the Certifications.

After you acknowledge the terms and conditions by faxing the signed document and the completed request form to (413) 540-4298, attn: Charlene Stoyak, ISO New England will review the information you submitted and e-mail you the selected Certifications in PDF format. If you have any questions, please contact ISO New England Customer Service at (413) 540-4220 or [custserv@iso-ne.com](mailto:custserv@iso-ne.com).
