

REGIONAL RATES NOTICE

TO:	NEPOOL Transmission Committee Members and Alternates
FROM:	Lisa M. Cooper, Chair - Rates Work Group (“RWG”) of the Participating Transmission Owners Administrative Committee (“PTO AC”)
DATE:	August 4, 2011
RE:	RNS and Schedule 1 Rates Effective June 1, 2011

Please note that the formula rates for Regional Network Service (“RNS”) and Regional Schedule 1 Service effective June 1, 2011 have been updated to reflect actual data for 2010, forecasted data for 2011 and the annual true-up and associated interest. The resulting rates for RNS and Schedule 1 are included in the table below for stakeholder information purposes and for posting on OASIS. The RNS rate has been revised from the notice issued on June 1, 2011.

-----REGIONAL RATES (\$ / kW-year)-----					
	Pre 97	Post 96	Total RNS Rate Effective 6/1/11	Total RNS Rate Previously in Effect 6/1/10	Change
RNS - revised	13.27690	50.59684	63.87374	64.82684	(0.95310)
Schedule 1			1.58211	1.65477	(0.07266)

The PTO AC acted on the RNS and Schedule 1 rates effective June 1, 2011 at the quarterly meeting held on June 20, 2011. The RNS rate was subsequently revised on August 4, 2011. This revision will be communicated to the PTO AC.

The PTO AC on behalf of the New England PTOs submitted an Annual Informational Filing to FERC on July 29, 2011. A supplemental filing will be submitted to FERC on August 12, 2011 which will reflect support for the revisions to the RNS rate.
